***Deirdre Tarrant***  
CNZM;MNZM

Founded Footnote Dance in 1985 following a background in ballet beginning in Wellington with the Royal New Zealand Ballet. Tarrant travelled extensively both dancing and teaching before returning to New Zealand. Recently retired from her role as Artistic Director of Footnote and also from her role as an international examiner for the Royal Academy of Dance, Deirdre is Director of Tarrant Dance Studios. She was made a Member of the New Zealand Order of Merit for her services to the community in 2000, a Distinguished Alumni of Victoria University in 2006 and received an Absolutely Positive Wellingtonian award and was Arts Wellingtonian of the year in 2012. In 2013 she was made a Companion of the New Zealand Order of Merit for services to contemporary dance.

Since resigning from Footnote Dance Deirdre continues to teach and is now running Tarrant Dancers from Te Auaha Creative Centre - still on Cuba Street - and continuing to work on arts events in the community. She currently also Chairs the Advisory Board of the National Women's Health Research Centre Aotearoa at Victoria University and loves being available for grandchildren! She is thrilled to continue her connection with Mary Anne Mechen and the Palmerston North Dance Association.

# *Sir Jon Trimmer*

*Sir Jon Trimmer KNZM MBE 1939-2023*

*Patron and Friend PNDA 2000 - 2023 RIP*

The Palmerston North Dance Association has shared a special relationship with Sir Jon Trimmer, dating back to the Association's early beginnings in the 1970s when fundraising Concerts were held around the country to assist the, then struggling, NZ Royal Ballet Company. Funding had been reduced by the NZ Arts Council to support 8 company members. Without the determination of Poul Gnatt, the Trimmer's and others and the support of provincial New Zealand (Manawatu worthy of mention in that), the company would not have survived. Wonderful relationships were forged at that time.

In 1999, Sir Jon was Knighted and in 2000 he accepted the offer to become Palmerston North Dance Association Patron.

In 2008, to honour Sir Jon's 50 years with the Royal NZ Ballet, the local Friends of the Ballet, with the Palmerston North Dance Association, hosted a dinner and a concert at the Regent on Broadway, involving the local dance Schools, to celebrate and honour Sir Jon's achievements and commitment to dance across Aotearoa. At this event, PNDA were presented with the Sir Jon Trimmer Award for the Best Demi Characterisation, this to become an adjudicator's choice award, to be awarded at the PNDA yearly competition festival.

The Association has been honoured with the presence of Sir Jon and Lady Jacqui at their yearly Galas, which started in 2010 with the formalising of the PNDA championship classes and launching the PNDA Monica Skinner Scholarship. The Gala also provided a platform for the awarding of the Sir Jon Trimmer trophy by Sir Jon. The Gala has also hosted Guest artists from RNZB and the NZ School of Dance.

The Gala's intention was to bring people together to celebrate what is achieved together in our local community, with performers and their supporters, past and present, teachers, organisers, funders and special dignitaries who support Arts in our city and beyond.

Having the Trimmers present at our Gala Event has been such a gift to all present. Sir Jon's apologies are every bit as endearing and heartwarming as his presence.

There have been many wonderful tributes to Sir Jon since his passing. Our PNDA tribute is very local. We have pulled together as many pictures as we could find in our files at this point. This display isn't complete, but it will give you a taste of his ability to be present to everyone, his great humility, and generosity of spirit, always happy and willing to help out and do what we needed. We will miss him as the national icon that he was and will remain, but he will be missed and remembered by us as our Patron and Friend of the Palmerston North Dance Association.
